ADVERTISEMENT REQUEST

Undercroft Opera is an exciting company that exclusively showcases local talent in traditional operatic productions. The vision of Undercroft Opera is to provide Pittsburgh Area musicians with an artistic outlet and a greater sense of community, while giving Pittsburgh audience members the opportunity to discover and experience the operatic talent that is literally in their own backyard!

This winter, we will be presenting *La clemenza di Tito* by Wolfgang Amadeus Mozart. This production cannot, however, succeed without financial support. We would greatly appreciate you placing an advertisement in our program. In return for your support, you will receive two (2) complimentary tickets to the show. Complimentary tickets will be held at the door under the Business Name of the advertiser.

Thank you,

Mary Beth Sederburg
Founding Director
